

THE JOYFUL NOISE CHOIR  
Is For Kids Who LOVE To Sing!

If you are thinking about joining The Joyful Noise Choir, here are some things you should know:

- Joyful Noise is a mixed choir (boys and girls) organized in three sections:
  - Junior Choir (grades 2 - 4)
  - Intermediate Choir (grades 5 & 6)
  - Senior Choir (grades 7 & 8)
- Anyone can join, IF they tell me they want to be there. I need your heart, not just your voice.
- Practices are from 6:30 to 8:00 (with a break) on Wednesday evenings starting August 28 and ending with our farewell service and potluck January 12, 2025.
- Things that you can look forward to:
  - Going to Choir Camp in September at Gull Lake (so fun)
  - Visiting churches to participate in services
  - Going on tour in November (Grades 5-8)
  - Taking part in special community activities

To apply, you'll need to write me a letter telling me why you want to be in the choir and what you hope to contribute! This letter goes with your registration, or you won't be accepted. I have put sample letters on the website under the "Kids" section.

**Making Choices**

1. Because **choir camp** is so important to making new friends and feeling part of the choir, we want you to make every effort to come to camp. A parent may accompany you if that would help you feel more comfortable.
2. **Wednesday evening is your choir night.** We will also give you advance notice of all our expected performances. If, on occasion, a rehearsal or performance conflicts with school or family activity, you will be allowed an excused absence but only if you call/text me beforehand. **If I find that you are missing too many rehearsals due to a conflict, I will ask you to withdraw, focus on one thing and come back the following year.**
3. Remember that choir is about singing. If you don't enjoy singing maybe another activity would be more appropriate.
